### STUDY OF THE BINGO GAME SECTOR IN THE EUROPEAN UNION

In order to identify common points at European level, the partnership has developed a Study over the Bingo sector, first at national level, analyzing the Bingo game in Finland, Great Britain, Italy, Romania and Spain, and then, gathering all the information in a common report which can be downloaded in different languages (English, French, German, Italian and Spanish) from the project's website.

You can download also National reports of the Bingo game sector.

For more information visit [www.eq-bingo.eu](http://www.eq-bingo.eu)
